

About this form

The purpose of the NEIS Income Statement is to allow you as the business owner and the Department of Jobs and Small Business to monitor the progress of your NEIS Business. The Department of Jobs and Small Business will also determine continuing eligibility for NEIS Allowance (if applicable). This is done by your NEIS provider applying external income and viability tests based on the information that you provide (note: external income does not include income from your NEIS Business). Giving false or misleading information is a serious offence.

When to complete this form

You will need to complete a NEIS Income Statement after each Financial Quarter during which you are operating your NEIS Business. Statements must be lodged with your NEIS provider within 10 Business Days after the end of each Financial Quarter. Failure to do so may result in the suspension of your NEIS Assistance.

A Financial Quarter is a period from:

- 1 July to 30 September;
- 1 October to 31 December;
- 1 January to 31 March; and
- 1 April to 30 June.

If you commenced NEIS Assistance less than four weeks before the end of a Financial Quarter, you are not required to submit a NEIS Income Statement to your NEIS provider for that quarter. If this is the case, you should include the information from this period in your NEIS Income Statement for the next full Financial Quarter, which will be deemed to be your first Financial Quarter.

Who completes this form?

The NEIS Participant named in the NEIS Participant Agreement completes this form. You must only include your personal details on this form. Any proposed partners in the NEIS Business who are also receiving NEIS Assistance must lodge a separate NEIS Income Statement.
