

Advice for NEIS Participant

NEIS Rental Assistance is a fixed rate payment available to eligible NEIS Participants. It is paid for up to 26 weeks from the date you start receiving NEIS Allowance.

To be eligible for NEIS Rental Assistance, you must:

- be receiving Rent Assistance from the Department of Human Services (Centrelink) or the Department of Veterans' Affairs (DVA) on the day immediately before starting NEIS Allowance; and
- be receiving Rent Assistance under your current income support payment or pension, NOT as part of a Family Allowance payment.

Your Centrelink or DVA Rent Assistance will cease if you start receiving NEIS Rental Assistance.

To claim NEIS Rental Assistance:

- Take this form to a Centrelink or DVA office for completion. Make sure they stamp the form.
- Return your completed form to your NEIS provider or upload your completed form using the jobactive website.
